

#ProsperInnovates

Information request form
on reverse side.

One 1st, 2nd, and 3rd place ribbon will be awarded per grade levels 2-5. One Best in Show trophy will be awarded also.

All entries will receive participation awards.

All judging will be done without parents present.

Participants will need to be able to explain and answer questions asked by the judges regarding their project. This will affect scoring.

All projects will be on display during our Open House on Thursday, March 8th.

1st, 2nd, and 3rd place winners will present their projects at the S.T.E.A.M. Expo on April 26th at Prosper High School. This event will not be judged.

First place winners in each grade will have the opportunity to also get to explore the Sci-Tech Discovery Center in Frisco, TX.

#PROSPERINNOVATES

Information...

Students in grades 2-5 are invited to participate in **Folsom #ProsperInnovates**. Projects will be due Tuesday, March 6th. **Kindergarten and first grade will be doing an in-class project together.**

The primary purpose of #ProsperInnovates is to develop skills in critical thinking, research, problem-solving and the use of the science and engineering principals. Students are encouraged to develop a project that is relevant to the real world and interesting to them!

Although this is an at-home project, the student's teacher and librarian will have suggestions for topics, and will be available for advice. However, the primary initiative and responsibility belongs to the student. Parents, and other adults are encouraged to assist as necessary, but each student participant must be able to demonstrate, explain, or describe their project, what was done, the materials used, and the purpose or intent of the project.

A packet of information will be available online or in paper form if requested. Request forms must be returned to Mr. Barker, room 703.

Calendar

- Jan. 8-12** Brochures sent home
- Feb. 15** Project registration form due back to school
- Mar. 6** Take project to Community Room (room 105 between 7:15-7:45 a.m. or 2:45 – 3:30 p.m.)
- Mar. 7** Judging
NOTE: Parents may not be present during judging
- Mar. 8** Awards announced, projects on display during Open House
- Mar. 9** **Projects must go home after school EXCEPT for winners that will be displayed at the S.T.E.A.M. Expo.**
