

**PROSPER ISD ATHLETIC DEPARTMENT
EQUIPMENT DONATION APPROVAL FORM**

Athlete's Name: _____ Parent's Name: _____

Today's Date: _____ School Equipment is being donated to: _____

Name of PISD Coach: _____

All equipment purchased by Prosper ISD meets or exceeds industry standards for safety. Any player participating in sports can still sustain an injury with the very best equipment, protection plan, and teachings. Therefore every athlete should understand the risk involved in the sport they are playing.

Since there are many regulations and standards for protective equipment, any parents wishing to purchase protective equipment for their athlete (most commonly helmets and shoulder pads) must get clearance from the campus coordinator at their school and the Athletic Director. A medical release may be required to be able to use some types of protective equipment. The personally purchased equipment will become the property of Prosper ISD until the student athlete finishes their Middle School or High School career. Prosper ISD will use the donated equipment as we see fit to maximize it's use for our student athletes.

Type of Equipment being Donated: _____
Brand/Model: _____
Size: _____

The following must be completed in order for this equipment donation to be accepted:

Prosper ISD Athletic Director Signature of Approval Date Approved

Campus Coordinator's Signature of Approval Date Approved

(I understand I am donating this equipment and it becomes property of the Prosper Independent School District until the student athlete finishes his middle school or high school career (if applicable) and Prosper ISD will do with it as they see fit)
