

## Problem Solving

Solve the problems. Use 2-3 math strategies to show your thinking. Refer to the “Ways to justify, defend, and prove my answer” document under math on our Homework page on the Schoolwire website.

1. There are 5 people in my family. We have 11 friends coming for Thanksgiving dinner. How many people will be there in all?

2. Mom made some pumpkin pies, 4 apple pies, and 2 pecan pies. Altogether she made 12 pies. How many pies were pumpkin pies?

\*\*\*\*\*Challenge!\*\*\*\*\*

Tom Turkey has 18 feathers on his tail. Some of the feathers are brown, some of the feathers are orange, and 5 feathers are yellow. How many of the feathers could be brown? How many of the feathers could be yellow? How many different answers can you come up with?
