Spradley Scholar Wrap-Up

## Principal Message

Spradley Parents,

Our staff had so much fun celebrating amazing students at our Spradley Spotlight on Friday for our K,1,2 graders. I loved how the students honored were given specific words of affirmation for the award given. We appreciate your attendance and support as we honor your child. We also appreciate all who have attended and participated in your child' student led conference. This is a great time to learn about their goals and strengths as well as how you can support them in the achievement of these goals. Thank you for partnering with your child and his/her teacher this year.

This Thursday, November 1st @5:30-7:30, The Cultural Fair Event in the cafeteria and gym is the place to be! This is where families can come together and share traditions, cultures, foods, crafts, games, dance, artifacts, music, and much more. I hope that even if you don't present in any of the categories of dance, music, food, information about your culture, artifacts, games, crafts, etc., you will attend as our goal is to bring an awareness of one's own worldview, develop positive attitudes towards cultural differences, and gain knowledge of different cultural practices and world views. On Tuesday, I will send home the order of the dance & music presentations so you will have an idea of time. If you have music, please send on a flash drive no longer than 4 minutes in a baggie labeled with first, last name, grade level, and teacher name to office by Tuesday October 30th so that our IT person can load onto chromebook for Thursday. She will return your flash drive back to you.

-Please know that safety is our priority and we need your cooperation to ensure our arrival and dismissal run efficiently.

- If you need to make transportation changes, please call the office before 1:00 so that Mrs. Liberatore can let the teacher know. Her number is 469-219-2250
- Remember: if your child is an unaccompanied walker or bike rider and there is inclement weather, you can walk up to school with family number (tag) and accompany your walker or bike rider home safely. If you don't come up to accompany your unaccompanied child, they will automatically be put in either A-L or M-Z car line based upon last name. We will need your car tag number in car line as well.

your background check if you want to volunteer or attend field trips. This is a yearly process. You will be able to sit at designated tables with your child. We look forward to seeing you. When lunchtime is over, please check out in the front office. We ask that you not follow your child outside to recess or down the hall to their classrooms.

**WATCH DOGS-please remember that when you sign up, you need to have already been cleared of your background check and signed up a week prior to when you want to volunteer. This gives Lead Watch Dog time to send names to Mrs. Liberatore so that teachers can put a schedule together with activities for the Watch DOGS to do with the class. We want your experience with your child's class to be the best it can be.**

#### **Background Checks**

If you plan on volunteering at Spradley or chaperoning a field trip this year, you must complete a background check prior to attending. Background checks must be completed each school year. To access the background check application, click [here](#).
