

Are You **READY!**

Some disasters strike without any warning. Have you thought about those supplies you'll need the most? They will usually be the hardest to come by. Enlist your children to help gather supplies for your family's emergency kit. It'll bring you a sense of relief, and your kids a feeling of empowerment.

Make sure you have enough supplies to last for at least **three days**. Think about where you live and your needs. Consider having a large kit at home, and smaller portable kit in the car or your workplace.

If a big storm is coming...

- ✓ Fill your car with gas
- ✓ Fill plastic bags with water and place them in the freezer
- ✓ Get extra cash out of the bank
- ✓ Fill prescriptions
