

## Prosper High School Advanced Placement and Pre AP Contract

Prosper High School encourages all students to enroll in available Advanced Placement (AP) and PreAP classes to enhance their academic experience. Any Prosper High School student may enroll in Pre AP or AP classes as his or her schedule permits. Pre AP and AP classes offer a high degree of rigor designed to prepare the student for success in higher academic pursuits. The purpose of a PreAP course is to prepare students for college-level work that they will experience in AP classes. AP courses provide college-level instruction and culminate in AP exams that are designed by the College Board. Students who successfully complete AP exams may receive college credit. Typically, successful Pre AP/AP students are:

- task oriented;
- proficient readers;
- able to prioritize their time and maintain an organizational system;
- willing to seek help from teachers as soon as problems arise; and
- experiencing little to no difficulty meeting the requirements of regular level courses, typically earning grades of A or B

AP courses differ from regular high school courses in that instructors use advanced curricula that is outlined by the College Board and authorized through the College Board's audit process. PreAP courses focus on in-depth preparation in a subject area that is necessary to master the skills required to achieve success in AP courses. Other characteristics of advanced courses include content immersion, a fast pace, and assessment of performance at the analysis and synthesis levels. Prosper High School strongly believes that Pre AP and AP courses provide enhanced academic opportunities for students that will assist them in future academic or nonacademic pursuits. At the same time, Prosper High School recognizes that students may experience initial surprise or difficulty in managing the increased course requirements. To ensure that students allow sufficient time to become acclimated to the classes and what the PreAP and AP curriculum can offer, Prosper High School expects that any student who enrolls in a Pre AP or AP class will remain in the course for the entire first six-weeks' of the nine weeks grading cycle . At the end of the first six-weeks, students may request a schedule change. Students and parents must schedule a parent/teacher/student conference for a schedule change to occur. The student must request a schedule change by the designated change date communicated to parents and students. The grade the student earned in the first six-weeks will be transferred to the newly scheduled academic level class with a 10 point addition to the current grade, not to exceed 100. The student and his or her parent/legal guardian must confer with the teacher and counselor prior to withdrawing from a Pre AP or AP class at the six week grading period or semester.
